

Do you know someone with dedication and determination who is willing to devote some time to our organization? Are you interested in shaping the future of the NGAKS? Send me a nomination! I have included an example below of what a nomination should include. We have openings for both Army and Air At-Large board members. Serving on the Board is a two-year commitment that includes the following responsibilities: attendance at bi-monthly meetings (call-in line available), participation in corporation business decisions at meetings and via email, and planning, preparation, support, and participation at the Annual Conference.

Want to make an even bigger commitment? The Secretary and Treasurer Executive Committee positions are one-year terms with additional duties on top of the two-year Board Member commitments. If you have previously served a two-year term on the Board you are also eligible for the 2nd Vice President position.

If being a Board Member doesn't sound like a commitment you can take on right now, what about being a committee member? We have several committee Chairs who would love to have additional members on their committees. If you would like to join a committee, you are welcome to reach out to the Chair of the committee you are interested in participating in, or you can send me an email and I will forward your interest on to the respective Chair. I look forward to receiving nominations and to seeing you all in Wichita on April 17th and 18th! Please email nominations to georgiaschafer@gmail.com by 21 MAR 21.
